Do not buy this phone

The phone is reported stolen or lost. Carriers may block it and the police may confiscate it.

Galaxy S23

Bought new in March 2023, in Romania (~4 years ago)

The 4 things that matter

YES — **Is it reported stolen or lost?**
Yes. It is listed in the international database of stolen or lost phones.

NO — **Is it locked by Samsung or a lender?**
No. Knox Guard (used on phones bought in instalments) is off.

YES — **Does it work with any SIM card?**
Yes. It is unlocked and works with any carrier.

! — **Is it under warranty?**
No. The Samsung warranty expired on 2 April 2025. You can use this to negotiate.

Good to know

It has two IMEIs (dual SIM). It is normal for the second one to be different.

What to do now

1. Do not pay and do not leave a deposit.
2. If you already bought it, ask for your money back. Keep the messages and proof of payment.
3. If the seller refuses, you can file a police report with this evidence.
